

STONAROMA

*“By combining two medicines, we make them stronger!
The Rock people hold the wisdom, and the plant medicine the healing. They are both
Earth medicine. They strengthen each other.
By blending the two medicines, we create a third one more powerful than either one by
itself.”*

Strong Walking Woman, a Mohican who worked with Mikael to create our Native American Set.

"I must tell you that I personally, really love **Clear**. It takes me to levels in the morning that remain with me all day." Janis

I am loving all the oils that I had the pleasure of receiving from you and Mikael. The Stonaroma is absolutely wondrous for me. I had a major shift in incarnate soul aspects and the Stonaroma has made this shift happen with much more ease and grace than I had thought possible. All the oils will be my partners on my spiritual journey to Egypt and help me fulfill my spiritual service there. Blessings to you! Love and light, Deborah July 03

"I am drawn to the StonAroma because I personally use stones and crystals in rock medicine and DNA healing work for myself so I know their effectiveness." Audrey

"I have used the Sinus and Immune Up during the past week on my 20 month old granddaughter who has had a really bad cold with high temperature. It seemed to help her recover from the worst part of the cold. She would come to me and ask me for the 'breathe' and 'mune'. Catherine
